## 2nd Annual Canine Corner Golf Outing

### The Palms Course at Pompano Municipal Golf Course

April 14, 2012

The Pompano Beach Dog Park Canine Corner is the city's newest park. Wonderful as it is, it is still not complete. The total amount of land intended to be the Dog Park is 3 acres. Currently only 1.9 acres have been fenced in. The goal of the Dog Pack of Pompano Beach Inc. is to see that the park is completed in the near future. The park was designed to have 4 sections. Part 1 is the small dog area; part 2 is the large dog area. Part 3 and 4 are the areas that we need to fence in to complete the park. The City of Pompano Beach has approved new expansion with funding, but the funding is not enough to complete the project.

The Dog Pack of Pompano Beach, Inc. is putting on this golf outing to benefit the completion of Canine Corner. All of the profit from the event will go directly to the park expansion project.

The Canine Corners Golf Outing Committee would like to invite you to be part of this event by participating as a golfer, a "hole" sponsor. This is a great opportunity for your company to receive recognition and advertising. If your dog loves the park or you know one that does, please help us complete the park!

This year the golf outing will offer 3 Sponsorship levels: **Yorkie** at \$100 (hole sponsorship only), **Beagle** at \$250 (includes golf, continental breakfast & lunch for one, and hole sponsorship) and **Labrador** at \$600 (includes golf, continental breakfast & lunch for a four-some and hole sponsorship)

For all sponsor levels, you will receive:

- Hole Sponsorship: Sign with logo at one of the tee boxes with your company, family, or individual name.
- Your name on a recognition letter given to all golfers
- Recognition in the luncheon program

If you wish, you can form a "four-some" for the outing at \$100 per player, which includes all golf fees, continental breakfast, lunch and the opportunity for door prizes. **Thank you for your support.**
